**Re: Notice of Rejection of Shoreland Permit by Notification (RSA 483:B)**  
**NHDES File #2020-0XXXX**  
**Subject Property: 100 SOUTH STREET, BEDFORD, Tax Map #01, Lot #001**

Dear Mr. Public:

This letter serves as notice that Shoreland Permit by Notification (PBN) #2020-0XXXX received by the New Hampshire Department of Environmental Services (NHDES) Shoreland Program on January 2, 2020 for impacts on the property referenced above, has been rejected. The PBN was rejected for the following reasons:

No application fee was included.

Shoreland PBN File #2020-0XXXX is closed. NHDES cannot accept additional information to complete this PBN or otherwise modify it with the intent of changing its status to "accepted." A new, complete, Shoreland PBN or Shoreland Permit Application must be filed before any construction, excavation, or fill occurs. The fee associated with this Shoreland PBN is neither refundable, nor transferable.

No construction, excavation, or fill may proceed within the protected shorelands on the property until either a Shoreland Impact Permit is obtained through the application process or a new, complete Shoreland PBN is filed with and accepted by, NHDES as required by RSA 483-B:5-b.

If you have any questions, please contact the NHDES Shoreland Program at (603) 271-2147.

Sincerely,

Joseph Schmidl, CWS, DSDS, PG  
Shoreland Inspector  
Land Resources Management, Water Division
